The image shows a template for 14 address labels arranged in two columns of seven. The grid is composed of 14 rows and 2 columns. Each row is separated by a horizontal line, and each column by a vertical line. The grid is centered on the page. There are four registration marks (crosshair symbols) at the corners of the grid: one at the top center, one at the bottom center, one on the left side (middle), and one on the right side (middle). Additionally, there are four corner crop marks (L-shaped lines) at the corners of the grid: top-left, top-right, bottom-left, and bottom-right. On the right side of the grid, the letters 'J', 'K', and 'L' are printed vertically, aligned with the middle row, indicating the label's position in a larger sheet.

Four registration marks (crosshairs) are positioned at the top, bottom, left, and right centers. Corner crop marks are present at all four corners of the central area.

The image shows a large address label template. It consists of a central grid of 18 rows and 2 columns. The grid is bounded by registration marks (crosshairs) at the top, bottom, left, and right corners. There are also crop marks (L-shaped lines) at each corner. On the left side, there is a large black rectangular area. The grid is currently empty, intended for printing addresses.
